PEER RECOVERY SUPPORTER / BEHAVIORAL HEALTH SUPPORT

SUMMARY

Ohio Certified Peer Recovery Supporter with OhioMHAS 40-hour training and scope in co-occurring mental health and substance use disorders. Strengths include recovery communication, active listening, client engagement, trauma-informed communication, boundaries, confidentiality, documentation, de-escalation, resource connection, and calm support for people under stress. Background in customer-facing operations, moving/driving, and problem-solving adds reliability and follow-through.

CORE SKILLS

Peer recovery support	Recovery communication	Lived-experience-informed support
Active listening	Client engagement	De-escalation
Trauma-informed communication	Boundaries	Confidentiality
Documentation / note-taking	Community resource connection	Group support
Care coordination support	Customer service	Working with people under stress
Reliability	Valid driver's license	

RELEVANT EXPERIENCE

D2C Packing Specialist

Eleco | Cincinnati, OH | Jan. 7, 2025 - Apr. 28, 2026

- Redesigned and reorganized the picking system and inventory layout to improve fulfillment flow, order accuracy, and day-to-day usability.
- Counted, rotated, and organized inventory; handled labels, returns, online orders, picking order printing, and shipping readiness.
- Helped improve workflow quality and reduce error rates by about 60%, contributing to a long-standing 1% error target that had not been reached for roughly two years before arrival.
- Resolved customer complaints and online order issues while maintaining accuracy under time pressure.
- Worked independently and with a team in a fast-moving operations environment with changing priorities.

Driver / Mover

Clark And Sons Moving | Cincinnati, OH | Mar. 8, 2022 - Dec. 12, 2024

- Worked approximately 3 years total, including roughly 1 year as a driver with responsibility for route execution, vehicle use, customer property, and crew support.
- Loaded, unloaded, protected customer property, and handled physically demanding work in homes and businesses.
- Communicated with customers, solved job-site problems, and stayed reliable in route-based, customer-facing physical work.
- Followed instructions, adapted to unclear situations, and helped complete jobs safely and efficiently.

ADDITIONAL RELEVANT BACKGROUND

Peer Recovery Support Credential

- Ohio Certified Peer Recovery Supporter - License APS.006470
- OhioMHAS 40-hour PRS training - Training ID MON554
- Training completed Apr. 27, 2025

- Scope includes co-occurring mental health and substance use disorders

Transferable PRS Experience

- Supported people under stress through calm communication, active listening, patience, and follow-through.
- Resolved complaints and unclear problems while staying professional and focused on next steps.
- Maintained boundaries, confidentiality-minded communication, documentation habits, and reliability in customer-facing work.
- Prepared to support recovery planning, resource linkage, advocacy, group support, and peer role-modeling within certified PRS scope.

EDUCATION

Live Oaks Career Campus | Milford, OH | Interactive Media Program, completed 2005

Amelia High School | Amelia, OH | High School Diploma, 2005

APPLICATION STATEMENT

I am applying for Peer Recovery Supporter and behavioral health support roles where lived-experience-informed support, recovery communication, boundaries, confidentiality, documentation, resource connection, and calm engagement matter. I am an Ohio Certified Peer Recovery Supporter with OhioMHAS training and a practical work background in people-facing, high-stress environments.
